## IMPORTANT ACCOUNT INFORMATION

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We updated the Consumer Account Agreement ("Agreement"). In the section titled "Available balance, posting order, and overdrafts," the following question about our standard overdraft coverage was added:

### What is Wells Fargo's standard overdraft coverage?

Our standard overdraft coverage is when, at our discretion, we pay checks or automatic payments (such as ACH payments) into overdraft rather than returning them unpaid. You can request to remove our standard overdraft coverage from your account by speaking to a banker.

Important: If you remove our standard overdraft coverage from your account, the following will apply if you do not have enough money in your account or accounts linked for Overdraft Protection to cover a transaction:

- We will return your checks and automatic payments (such as ACH payments) and assess a non-sufficient funds/NSF returned item fee and you could be assessed additional fees by merchants.

WF (2)-4978-00322

Account number: [REDACTED] 4978 ■ July 6, 2017 - July 31, 2017 ■ Page 3 of 4

---

- We will not authorize transactions such as ATM withdrawals or everyday debit card purchases into overdraft.  
- We will not authorize certain transactions (such as cashed checks, recurring debit card transactions, or Bill Pay transactions) into overdraft. However, if these transactions are authorized when your account has enough money but are later presented for payment when your account does not have enough money, we will pay the transaction into overdraft and charge an overdraft fee.

All other aspects of the Agreement remain the same. If there is a conflict between the language above and the Agreement, this language will control.

If you remove our standard overdraft coverage and your account is enrolled in Debit Card Overdraft Service, Debit Card Overdraft Service will be removed and we will not authorize transactions such as ATM withdrawals or everyday debit card purchases into overdraft.

To learn more about tools that Wells Fargo offers to help you avoid overdraft and/or returned item fees, visit [wellsfargo.com/checking/overdraft-services](https://wellsfargo.com/checking/overdraft-services), speak with a local banker or call the phone number on the top of your statement. Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer we hope you find this information helpful.
